Future Weston

Getting together to improve our area and the lives of all of us who live here

A public meeting | Thursday 30 April | 7.30pm

Weston Ex-Services Association | Brookfield Park | BA1 4JQ

Future Weston is a Community Association of local people who feel passionately about the Weston and Newbridge area - coming together to find ways to improve our area and the lives of all of us who live here, working with other local and city-wide organisations and the local Council as needed.

At this meeting, we will think about new ideas to help all of us who live in the Weston and Newbridge area - thinking together about how we can build friendly and inclusive local communities, encouraging conversations, growing friendships, inspiring each other, supporting our neighbours, enjoying life together, street by street.

More and more local residents are now joining the existing Future Weston groups, which are in the area of Infrastructure and the Environment, and in the area of Neighbourhood and Community. We'll hear from the coordinators of these groups at the Public Meeting.

If you would like to join any of these groups (see page 2), or to know more, please contact the coordinator, by phone or email, or by leaving a letter at **Love Weston Library**
Tues 10.00am-2.00pm
Thurs 2.00pm-6.00pm
Sat 10.00am-2.00pm

FUTURE WESTON

The Weston and Newbridge area is a great place to live and work. There are many activities and groups and events that bring many of us together with shared passions and interests. There are some excellent shops and other local clubs, facilities and community centres, and it's an area with a strong sense of identity.

But there are still opportunities to develop and encourage improvements in the Weston and Newbridge (Lower Weston) area. This has led to the formation of Future Weston, creating opportunities for people to get together to bring improvements to the local infrastructure and the environment, and to help community life in general, and to give support to people in need.

To find out more, contact Peter Heywood peter@heywood.co

Here are the Future Weston groups

Sustainable Travel Group

As a community, we need to expand our travel options so that we aren't entirely reliant on sitting in ever growing traffic jams. This group is looking at how we can add to the choices we have in the Weston area, including safer walking and cycling, and more attractive public transport.

Coordinator: Dave Vernalls
Dave@Vernalls.com

Young People Group

There are many young people in the Weston area who need positive relationships with adults who want to support and encourage them. This group is helping this to happen.

Coordinator: Clive Bennett
Clive@allsaintsweston.org.uk

High Street Group

The High Street group hope to involve residents, businesses and the Council in improvements to make the heart of Weston more attractive and accessible to everyone. Measures might include reducing through traffic, improving the pavement surfaces, introducing more greenery, and establishing a regular weekend market.

Coordinator: Guy Hodgson
contact@guyhodgson.co.uk

Greener Weston Group

Trees, plants and flowers make our environment more attractive and welcoming, and encourage our wellbeing. There are opportunities to plant in new areas. And there is of course a constant need for maintenance. The more people who join this group, the more we can do. And we can help with reducing litter and encouraging recycling as well.

Coordinator: Steve Brook
Ingleside_sb@btinternet.com

Neighbourhood and Community Group

Our vision is to build friendly and inclusive local communities, encouraging conversations, growing friendships, inspiring each other, supporting our neighbours, enjoying life together, street by street. One of our plans is to set up a network of Neighbourhood Connectors in our area.

Coordinator: Belinda Laws
