working group Malawi)

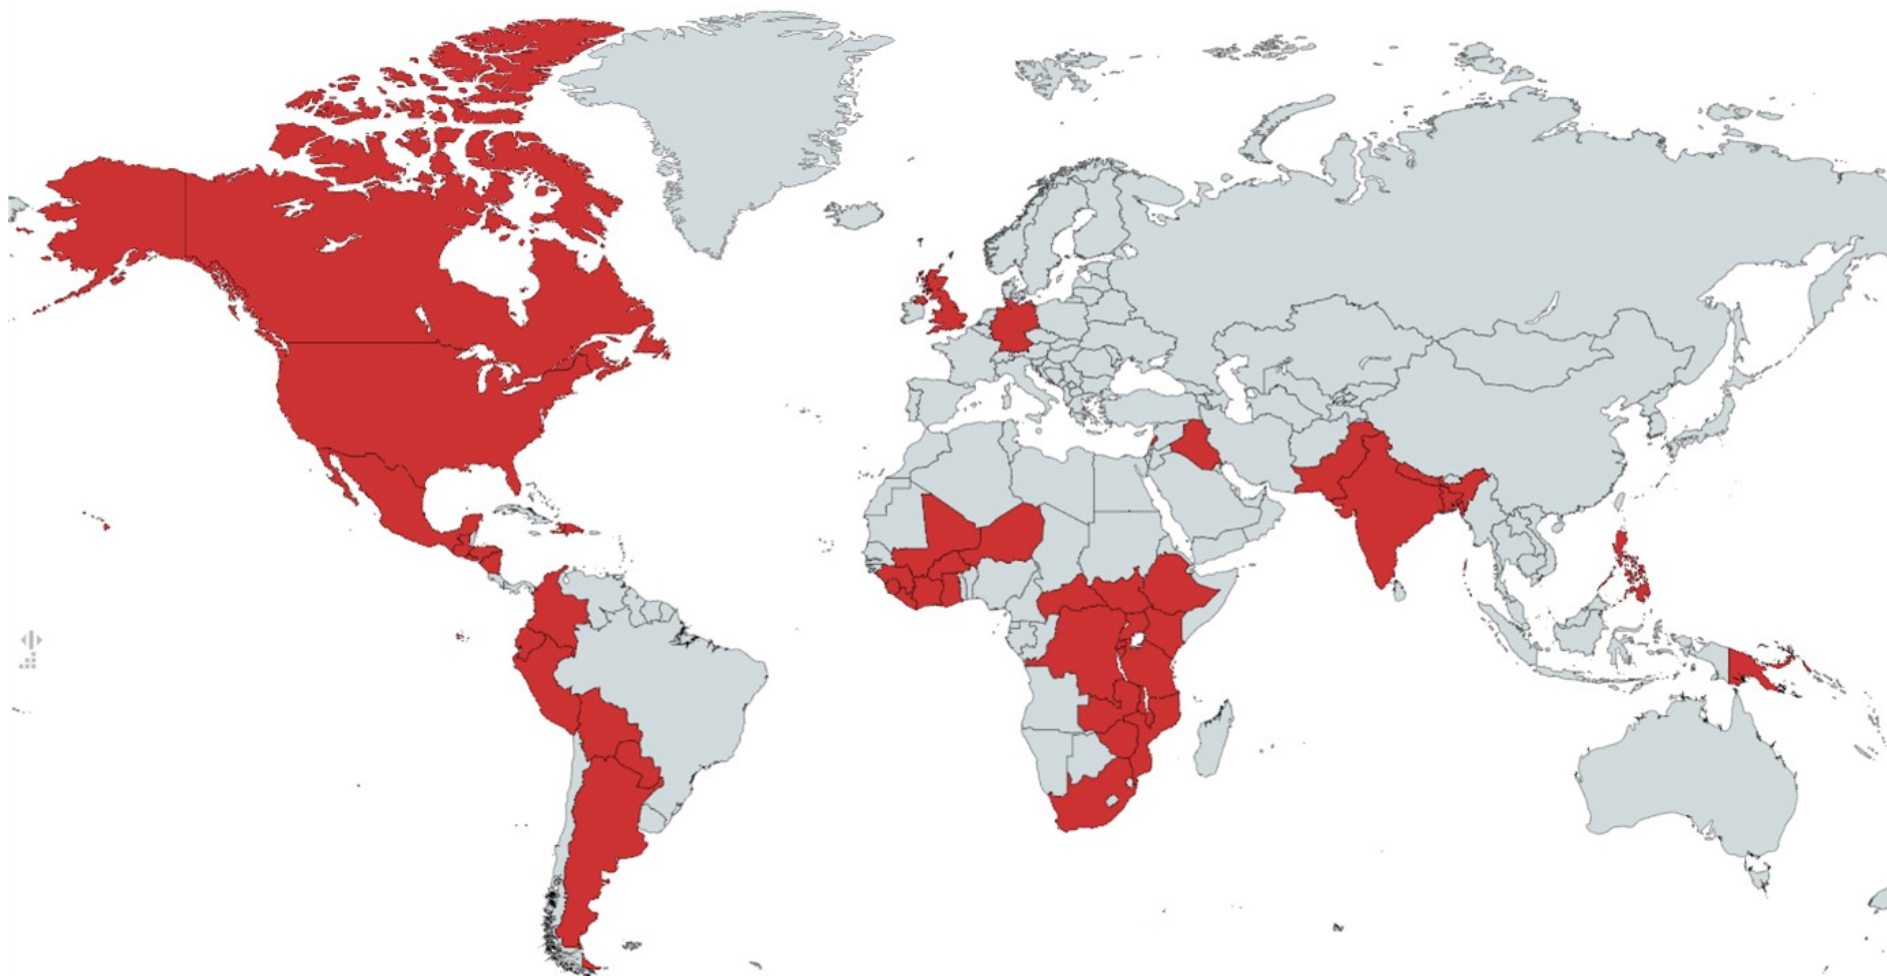

CCM GLOBAL ACTORS/ COMMUNITY

Partial adoption of CCM

CCM ONLINE COURSE PARTICIPATION

WHAT CAN WE PRAY FOR?

- Praise for all God has done through Eagles to bring transformation in communities and global influence
- Protection for mothers, children, communities working for survival, health, harvest, to be able to go to school
- Eagles approach using locally available resources – to reach more communities
- Frontline staff – for refreshment, provision, hearing from God ... and for more labourers

**WHEN
WAITING
IS HARD...**

Sunday 27th June 2026

KEY MESSAGE

**When waiting for what
you are hoping for,
do not wait alone:
Wait with God.**

- Wait with God (Emmanuel, God with us)
“The Lord is my shepherd, I shall not want.”
Psalm 23:1
- When Joseph waited for his dream to materialise, God was with him through it all
- Wait upon God (to have strength renewed)
(Isa.40:28-31)

- Wait time is preparation time
God prepares us for what we are waiting for
- Waiting without God can lead to falling away from God
- Waiting with God transforms us and transforms the waiting experience

Psalm 73:1;17)
